DEDRICK'S Celebrates 1 Year Anniversary at Woodland Pond

On December 17, 2018 Dedrick's opened a retail store at Woodland Pond in New Paltz. Dedrick's at the Pond offers a wide selection of personal care items, everyday items, vitamins and supplements, gifts, cards, baby items, women's accessories and clothing and much more.

Suggestions from residents and guests have helped them to expand their product offering since opening. There is a constant stream of customers in and out of the store all day long. Susan Stanmyer and staff are an ever-present resource for the residents and know everyone by name. The staff is helpful when someone has a question and they take care of any problem presented right away. It is apparent that the residents have a high degree of trust for the Dedrick's staff and feel very comfortable just sitting on the bench by the register for a visit, the store has been a great addition to the facility.

Dedrick's Pharmacy and Gift Shop, located just around the corner at 190 Main Street offers prescription delivery to the residents of Woodland Pond, Monday through Saturday. If you need something they are always just a phone call away. The owner of Dedrick's, Jared Nekos, is excited about the expanding services in New Paltz and looks forward to many years of service to the residents of Woodland Pond!

Dedrick's Pharmacy and Gift Shop is a full service, independent pharmacy that has served New Paltz for over 50 years. Their greatest pride is the exceptional level of customer care and service provided to their customers. Their commitment is to the local community and always has been.

When people choose Dedrick's they become part of the Dedrick's family. The Dedrick's staff has a passion for customer care that transcends most expectations. Jared and all of the staff know that you must always come first, and they work hard every day to make that promise a reality for their loyal customers!
